MOMO

MOMO

Designed by Fiorenzo Dorigo, the Momo seating collection blends minimalist aesthetic design with the quality of traditional craftsmanship. The contemporary design of the Momo collection makes it suitable for reception areas, large commercial spaces, office environments and foyers.

Available in one, two or three seater options, with an accompanying ottoman, the Momo collection creates infinite combinations, optimizing space.

Available with a large range powder-coat colour frame options, the Momo collection is the go-to lounge with a variety of upholstery material available.
