

Albert

A customisable and cost-effective
student table solution

Albert

Designed by the UCI Design studio, Albert student table provides the option to customise colour with a wide range of powder coat choices. Manufactured in Australia from Australian steel featuring a fully welded frame offering flexible sizing in width and depth.

Albert provides the Australian education sector a cost-effective reliable student table backed by a 10-year manufacturer's warranty compared to less suitable imports.

Product Lifecycle:

UCI Manufacturing is committed to its impact on the environment. All workstation frames manufactured by UCI Manufacturing are designed for disassembly and are 95% recyclable.

Note: client specified materials are excluded from this statement.

With the use of basic hand tools UCI Manufacturing workstation frames can be broken down into raw material elements such as aluminium, steel and plastic (Moulded plastic components greater than 50gm in weight have recycling logo identification).
