

**Duo**

# DUO

## DUO SIDE TABLE

Designed by UCI's product designer Adrian Bragagnolo, Duo side table creates a balance in environments that requires diversity.

Duo offers an unique design bringing versatility to any space. This side table can be used with a powder coated steel or timber top creating a diverse range of options.

Duo is manufactured from 100% Australian steel, it comes with the ability to be disassembled to offer 100% recyclability.

A versatile design allows Duo to be suitable for office breakout areas, cafes, and residential applications.
