

Kurve

Specification Sheet

Kurve has four modules (straight, convex, concave and concave double) and can be configured to create a variety of different shapes.

Also available within the range is a table, positioned on an angled stainless steel arm between the seating modules.

Kurve is made from a plywood shell, with Dunlop Enduro foam.

Kurve Seat Module - Straight:

- W 650 x D 740 x H 740 x SH 400
