# LAPTOP STAND

## LAPTOP STAND

Designed by UCI Design Studio the Laptop stand is made with 100% Australian steel.

The round edges provide a smooth look while adding simplicity, organization, and functionality when placing your laptop device on your desk or table.

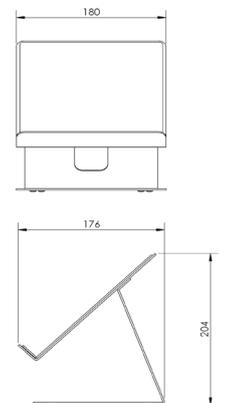

The 100% Australian steel laptop stand is perfect for use at the home, office, or travel. It comes with anti-slip rubber feet to protect your device.

The Laptop stand cut-outs on the pedestal help to keep cables and workspace neat and tidy. By raising your device to eye level provides optimum viewing to users.
