

PHONE & TABLET HOLDER

PHONE & TABLET HOLDER

PHONE & TABLET HOLDER

Designed by UCI Design Studio the phone and tablet holder are made with 100% Australian steel.

With round edges to provide a smooth touch adding simplicity, organization, and functionality when placing your mobile device on your desk or table.

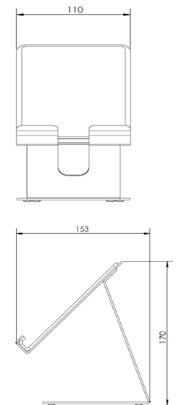

The 100% Australian steel phone holder is perfect for use at home, office, or travel. It comes with an anti-slip rubber feet to protect phone or tablet.

You can raise your device off the desk to eye level for optimum viewing and thread necessary cables through the precision cut-outs on the pedestal to keep your workspace neat and tidy.
