

GRAVY

GRAVY

GRAVY

Gravy is a unique desk lamp that brings style and warmth to your home or office. Edge lit technology in a circular LED head provides a soft, evenly distributed glow of warm light.

The solid wood bar and base are offered in three different natural woods: light Maple, White Oak, and rich Walnut. A delicate aluminum stand supports the wood bar and LED head.

Controlling the light is easy: simply tap the center of the underside of the LED head to turn on or off, and touch and hold to dim or brighten the light.

Gravy is highly adjustable, providing the user with perfect light placement. This simple yet elegant combination of wood, aluminum and LEDs works beautifully to illuminate any space.

FEATURES

- Simply Natural: Built with American hardwood to enrich your space naturally
- Dimmable: Touch the control to the lamp on or off, or hold to dim light down to 10% of maximum
- Adjustable: Luminaire rotates 360°, and the wood bar slides to accommodate perfect light placement for the user

ENVIRONMENTAL CONSIDERATIONS

- Fully recyclable aluminum
- Water-based paint
- FSC certified packaging
- LEDs do not contain mercury
- Low power consumption (<10 watts)
- LEED credit eligibility
