

SPLITTY

SPLITTY

SPLITTY

Splitty gets its name from its unique joint design and is one of the most flexible lights in the Konzept collection. When illuminated, the wide LED head casts an even glow thanks to the fully diffused light panel.

Splitty's designers perfected the diffused light source with hidden LEDs so that the lamp performs as a radiant ambient light as well as a functional task light.

Multiple mounting options can free up desk space and a discreet USB port allows users to charge most phones or tablets. Splitty Pro features a built-in occupancy sensor to maximize energy efficiency.

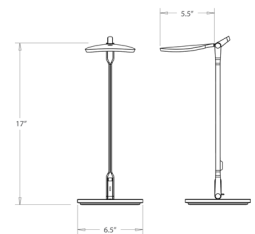

FEATURES

- Matte Black, Silver, Matte Orange*, Matte Leaf Green*, Matte Grey*, Matte White* and Matte Pacific Blue* colours available
- 5.8 watts consumption
- 50,000 hours lifespan
