Zart

Versatile meeting chairs offering maximum comfort

The Zart chair features a unique design that is simple yet stylish. A newly developed mesh material cradles the body in supreme comfort. Zart brings lightness and beauty to all office spaces.

A seminar room with rows of teal chairs and a whiteboard. The room has a light-colored wall and a whiteboard in the background. The chairs are arranged in rows, facing the whiteboard. The room is well-lit with recessed ceiling lights.

01

Seminar Rooms

Experience a lightness of form that is both beautiful and functional.

An elastic mesh seat and backrest guarantees comfort, helping to create inspirational seminar spaces.

A large conference room with rows of black chairs and a curved table. The room has a dark carpet and a curved table in the foreground. The chairs are arranged in rows, facing the table. The room is well-lit with recessed ceiling lights.

02

Large Conference Rooms

A focus on materials and quality achieves both comfort and top performance. We support creativity and enhanced communication for all conference members in every meeting scenario.

03

Public Spaces

This plain form creates a clean impression, with calming colors. Soft and comfortable seating creates refreshingly relaxing amenity spaces.

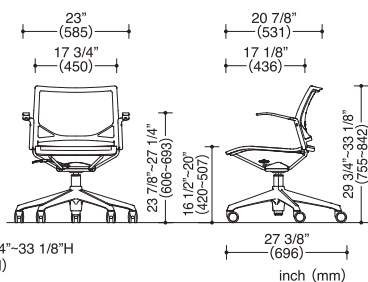

04

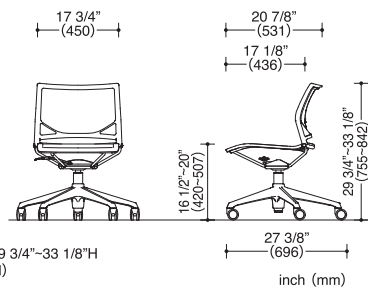

Small Conference Rooms

This simple form can be applied flexibly for all meeting types. The understated design heightens concentration and supports constructive and productive meetings.
