

Kurve

Designed by Niels Gammelgaard, Kurve is a modular lounge range perfect for collaboration, reception, and public spaces.

Kurve's three modules can be configured to create a variety of different shapes, forming endless curves, circular configurations, or straight benches

Features:

- Fully modular, with connector brackets
- Stylish and eye-catching
 - GECA certified
 - Australian made

Options:

- Table, which is positioned on an angled, stainless steel arm between the seating modules
 - Variety of upholstery options

Dimensions:

Please refer to the specifications sheet for details

Warranty:

- 10 years
