

Mosso Pro

KONCEPT

Delivering a phenomenal 99 lumens per watt efficiency, Mosso Pro changes light colours from warm to cool and anything in between. An intuitive built-in touchstrip allows for effortless continuous dimming. The built-in occupancy sensor ensures no energy is wasted lighting up a vacant desk. For smart phone enthusiasts, Mosso Pro comes standard with a USB port. With Mosso Pro, anything is possible.

Features:

- Built-in touchstrip for multi-level dimming
- Easy adjustment of light colours from Soft White to Cool White
 - Multiple mounting options
 - Built-in occupancy sensor
- USB base for charging devices
 - 48 LEDs
 - Ultra high efficiency
 - 50,000 hours lifespan

Finishes:

- Metallic Black and Silver as standard
- White as an optional extra

Options:

- Wireless charging base for recharging mobile devices

Warranty:

- 1 year
